For me the love should start with attraction.i should feel that I need her every time around me.she should be the first thing which comes in my thoughts.I would start the day and end it with her.she should be there every time I dream.love will be then when my every breath has her name.my life should happen around her.my life will be named to her.I would cry for her.will give all my happiness and take all her sorrows.I will be ready to fight with anyone for her.I will be in love when I will be doing the craziest things for her.love will be when I don't have to prove anyone that my girl is the most beautiful lady on the whole planet.I will always be singing praises for her.love will be when I start up making chicken curry and end up making sambar.life will be the most beautiful then.will get every morning and thank god for the day because she is with me.I would like to say a lot..will tell later..

The last thing i ever wanted to do was hurt you. And i didn't think it would have. You'd laugh, be embarrassed, delete the tag and keep going. But as far as i knew, it wasn't even up. The fact that you even felt like i would do it to hurt you shows you really don't know me at all. It was messy wednesday, but it wasn't bad. The problem i have with it is you HAVE the time to clean it, but you choose not to. You skype, you take pictures, you sleep, you want to go out. I don't mind a few things here and there, but when you don't make the bed, when you throw laundry on top of it, when i can't have a friend in the house because i'm embarrassed that there's underwear and bras strewn on the bed, pillows on the floor, that's something else. You used to be good about at least making the bed.

I can't keep going through this. It was never my  
intention to run you out, but if you choose to do that  
rather than keep the room clean so "I" don't have to  
say no to visitors, then maybe that's the best choice.  
Yes, I wanted you to be embarassed, so maybe  
you'd feel for once how I feel when i have a friend  
who wants to drop buy and i have to say no, as  
happened this morning. I've tried everything. I don't  
ham know what else to do.  
Dunno lei... I thk mum lazy to go out... I neva ask her  
yet...  
ham Do whatever you want. You know what the rules are.  
We had a talk earlier this week about what had to  
start happening, you showing responsibility. Yet,  
every week it's can i bend the rule this way? What  
about that way? Do whatever. I'm tired of having thia  
same argument with you every week. And a  
&lt;#&gt; movie DOESNT include the previews.
